BRIDGE OF WORDS: TOGETHER IN COMMUNICATION

Youth Exchange | 06/09/2026–14/09/2026 | in Gołkowice Górne, Poland

Main activities: The exchange combined workshops, simulations, role plays, debates, practical exercises, outdoor activities and daily reflection. The programme included getting-to-know-each-other and team-building activities, Erasmus+ values and the 8 key competences, active listening, non-verbal communication, Elevator Pitch, the "12 Archetypes" role play, difficult conversations, negotiation, relaxation techniques, assertiveness, debate, feedback and feedforward, and conflict resolution. Participants worked mainly in international teams, took part in cultural evenings and a Culture and Language Day, joined an environmental activity and a trip to Zakopane, and completed daily individual and group reflection. The final day included a project summary, evaluation of learning achievements, future-planning activities and Youthpass reflection.

Main outcomes: Participants strengthened their active listening, non-verbal communication, public speaking, assertiveness, negotiation, feedback, conflict-resolution and teamwork skills. They gained greater self-confidence in expressing ideas and emotions, improved their ability to communicate in challenging situations and increased their intercultural awareness. Working in international teams helped them practise cooperation, decision-making and respect for different perspectives. Participants also developed a better understanding of Erasmus+ values and reflected on their progress in relation to the 8 key competences. Practical outputs included reflection journals, group presentations and posters, documentation of team tasks, personal action points and ideas for future cooperation. The exchange also created new international connections and a safer space for dialogue across cultures.
